**Activity Risk Classification:** I understand that: Horseback riding is classified as a RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY, and that there are numerous obvious and non-obvious inherent risks always present in such activity, despite all safety precautions taken. According to NEISS (National Electronic Injury Surveillance Systems of United States Consumer Products) horse activities rank approximately 64th among the activities of people relative to injuries that result in a stay at U.S. hospitals. Related injuries can be severe requiring more hospital days and resulting in more lasting residual effects than injuries in other activities. \_\_\_\_\_ initials

**Nature of Riding Horses** I understand that: No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from a horse to the ground it will generally be at a distance of 3 to 5<sup>1/2</sup> feet and the impact may result in injury to the RIDER. If a horse is frightened or provoked it may divert from its training and act according to its natural survival instincts which may include, but are not limited to, stopping short; changing directions or speed at will; shifting its weight; bucking, rearing, kicking, biting, or running from danger. \_\_\_\_\_ initials

**Rider Responsibility** I understand that: Upon mounting a horse and taking up the reins, or takes up the rope of a haltered horse, the RIDER is in primary control of the horse. The RIDER'S safety largely depends upon his/her ability to carry out simple instructions, and his/her ability to remain balanced aboard the moving animal or remain in control. If the RIDER is pregnant, the RIDER or the parents or legal guardians there, MUST RIDE UNDER THE WRITTEN AUTHORIZATION FROM THEIR PHYSICIAN. The authorization must be on file with Triple Creek Ranch, Inc. prior to handling horses under a horse handler's care. Triple Creek Ranch, Inc. advises pregnant women not ride horses. The RIDER shall be responsible for his/her safety, and that of an unborn child. \_\_\_\_\_ initials
